

ASTRO ESSENTIALS: EXPLORING THE LAYER OF ASTROLOGY

There are many elements of an astrology chart. From my conversations with clients and friends, the multi-layered technique of reading astrology charts can sometimes feel overwhelming. In this guide, we'll break down the key elements of astrology step-by-step, making it easy for anyone to understand the energy within a chart. We are peeling back each layer to create a story that is easy to read.

Planets

In Astrology, we read the planets as:

- The Energy
- The Character
- The “What”

They are the subject of the energy being interpreted.

i.e: Mars represents energy, drive, and ambition.

Signs

The Signs are interpreted as:

- The Style
- The Costume
- The “How”

They are the way the energy of the planet is being expressed. The tools in which the planet can use to express itself.

i.e: Aries brings courage and boldness to the planet it influences.

Houses

The Houses reveal:

- The Domain of Life
- The Stage
- The “Where”

They are the territory of life we are experiencing the energy of the planet and its expression, the stage of life where the energy manifests.

i.e: The 2nd house focuses on personal resources, security, and material possessions.

Aspects

Aspects provides insight into:

- The Story
- The Script & Actors
- The “Why” & “When”

They are the way the planets communicate and interact in their current energy, expression and domain of life.

i.e: Mars square Uranus can create tension, leading to unexpected actions or accidents.
